

# The bar

The heart of our inn

Our bar opens from 10am every day (full opening times on our home page).

We are more than just a bar: we serve delicious hand-roasted, organic and fair trade coffee all day and our bar is lined with 'house-made' cakes to tempt you.

We source real ales from great local breweries like Buntingford and Tring, as well as the 'big boys' – Sharp's, St Austell, Thwaites and Adnams, to name a few. With 4 real ale pumps always on, there is plenty to try.

Our draught range consists of Beck's, Estrella, Guinness, and Aspoll cider, chilled to perfection.

The fridges are stocked with fresh fruit juices, pressés, craft beers, fruity ciders, premium mixers and a great range of non-alcoholic beers too.

Our back bar houses some premium small-batch spirits and our wine list is carefully created by Simon Taylor from Cheesewine in Biggleswade – yes, he supplies our cheese too!

Basically, we've got drink covered.

When and where?

We open at 10am every day, except Sunday (11am), and stay open all day.

We are in the Market Square, Potton.

See you soon!
